

LEIPZIG 1813 - THE FINAL STAGE

NAPOLEONS RETREAT ACROSS THE ELSTER RIVER

Dawn breaks over the northern suburbs of Leipzig on the 19th October 1813, the last day of the Battle of Leipzig.

French combat mission

- 1st Build a pontoon bridge and organize the retreat.
- 2nd Cover the retreat over the only passable road with your rear-guard.
- 3rd Secure a bridgehead on the west bank.

Procedure

Disengagement (1st) and rear-guard (2nd) are simulated by the team.
The skirmish (3rd) is designed as a

participation game for up to 4 players !

The game will be played with modified Black Powder rules supplemented with event cards.

A game master coordinates the scenario and gives a helping hand. In-depth knowledge of the rules is not necessary. The rules are explained quickly and easily understood.
